

**Mid-Valley Dance Company
Competition/Commitment Agreement**

I have read the payment and competition schedule and agree to commit to these dates. I understand that dance team is a true team sport and that I must attend all practices and competitions to the best of my ability. I understand that my team may only compete at events if we meet our minimum numbers and that each dancer must be present in order for us to participate. By signing this contract I am agreeing to participate with Mid-Valley Dance Company and my team thru our State Championships in April.

I also understand that tuition for my dance class is due the first week of every month. I agree to a \$10.00 late charge unless I have made prior arrangements with Mid-Valley Dance Company.

I agree to follow all policies and guidelines set by Mid-Valley Dance Company. I agree that while wearing clothing affiliated with, or while representing Mid-Valley Dance Company in the public view, at competitions and various events, I will do my best to represent the Company in a positive manner.
